Mister Ashcroft:

Make that WHITE COLLAR CRIMINALS which are the worst in my opinion. Only for green and not out of need do these and people like you exist. Crooks in suits !!!!

You all stink. I hope you have to use Windows your entire life !!!

I think you are sending a bad signal by letting corruption run rampant. You should be ashamed. Are you all just so many common criminals with no sense of right and wrong?

Does big money buy off the DOJ just like that?

I do not respect the DOJ any more.
